

MonoBehaviour

```
classDiagram
    class MonoBehaviour
    class DisableOnAndroid
    DisableOnAndroid --|> MonoBehaviour
```

The diagram illustrates a class hierarchy. At the top is the 'MonoBehaviour' class, represented by a white box with a black border and two empty internal compartments. Below it is the 'DisableOnAndroid' class, represented by a grey box with a black border and two empty internal compartments. A blue arrow with an open triangular head points from the 'DisableOnAndroid' class up to the 'MonoBehaviour' class, indicating that 'DisableOnAndroid' inherits from 'MonoBehaviour'.

DisableOnAndroid
